

Application No. 10/680,032
Attorney Docket No. AOL0139

Amendment to Specification

The Examiner has objected to line 5 of paragraph 107 on page 31 of the specification for the inclusion of an embedded hyperlink. Applicant has amended
5 the specification to extract the embedded hyperlink, as requested by the Examiner. Applicant requests that the subject paragraph 107 be replaced with the following replacement paragraph, as amended:

Note that this scheme is useful in helping various entities to be in compliance with Federal law relating to accessibility for disabled, e.g. Section 508 of the Rehabilitation Act, ~~see~~ <http://www.section508.gov>. Section 508 requires that Federal agencies' electronic and information technology is accessible to users with disabilities. Using the IMLet-extended instant messaging system, governmental and private entities can provide on-line answers and support to more users than before.
